QUESTIONS? ahenshaw@usef.org

WHO'S ON MY TEAM?

Teams will be decided on a random basis. You will not know who is on your team until the Welcome Party at Spy Coast Farm Tuesday night at 6:30 pm. At the Welcome Party, you will be given a colored bandana which corresponds to a team. There will be 22 teams each with about 11-12 riders that are all from different discipline backgrounds.

HOW DO I WIN?

Teams can win by earning points throughout the week with their team. Points will be broken down into four categories: Daily Points, Passport, Question of the Day, and Medaling. Here is a brief description for each category.

DAILY POINTS

You can receive points by doing the following: taking pictures of half your team watching another team member compete, taking pictures of half your team hanging out together, taking pictures of you individually schooling while wearing your team color's bandana (**this is NOT for competition JUST schooling!) You can also get additional Daily Points by winning the two categories of Funniest Team Picture of the Day and Best Team Picture of the Day. Winning of either of these two categories requires that the pictures have at least half of your team in it. The winner of each day's best and funniest competition will be chosen and tweeted out by the official NAJYRC account @NAJYRC, posted on Facebook and posted on Instagram! There will also be a Best Team Picture of the Week competition which will be voted on in the hospitality tent on Saturday. The photo with the most votes will receive additional points. To submit all photos they must be emailed to najrcaccreditation@usef.org by midnight of that day.

PASSPORT

Each team will be given one Passport. In this passport you will find a series of objectives, riddles, clues and various other tasks! You will work with your team, or at least half of team members, to complete each task! Each team will get points for completing each task. Passports will be due Saturday at 3:00pm at a drop off box within the Competitor's Cafe.

QUESTION OF THE DAY

Each day at noon the official NAJYRC account will tweet out a trivia question! Each team will have one person answer the question. If answered correctly the team will get points. Each team will also get points for every retweet and favorite of the original correct answer tweet. To have the tweet counted for points the original tweet must include the tagging of the official NAJYRC handle @NAJYRC and the use of the following hashtags #questionoftheday and #teamcolorname. For example, if you are the hot pink team your answer would look like:

@NAJYRC the answer for the #questionoftheday is 1988 #teamhotpink

MEDALING

Each team will also receive points for medaling in Team and Individual Championships. Points are only awarded to those individuals who receive Gold, Silver or Bronze. Since the eventing competition will not be over by the time the team challenge is finished, we will use the leading individuals after dressage for Junior and Young Riders as the individual points and the leading teams after XC for the team points.

DAILY POINTS	Pictures of Half Your Team Watching Another Team		20/per photo
